# WHAT TO EXPECT . . .

## WHEN ARRIVING:

The Town of Davidson has built new paved greenway down into the park. **THEREFORE, we cannot allow cars to drive on the grass down the hill to prevent any damage to the track.** Pack 58 will have a registration table at the Parking Lot and also work to ferry tents/bags down the hill with a designated truck. Please see the registration table upon arrival for details.

## FELLOWSHIP:

Scouting Skills Day is a wonderful way to kick off the year. It allows new Pack members the chance to get to know other Scouts in their Den as well as other members of the Pack. We have a wonderful time being together in the outdoors and enjoying the fellowship of Pack 58.

## OUTDOOR APPRECIATION:

It is Pack 58's philosophy that if you get a Scout outdoors you can instill a life-long passion for the environment and love of nature. We take every opportunity to gather around a campfire. Camping outdoors is a great learning experience on its own... Scouts learn how to have fun without the comforts of home and all those electronic distractions! **NOTE: Pack 58 does NOT permit handheld electronics/video games at our events/meetings... please help us unplug the kids!** 😊

## SCOUTING ACTIVITIES:

We will divide into 5 groups based on grade (1<sup>st</sup>-5<sup>th</sup>) and rotate through 5 outdoor activities; Kindergarteners (Lions) will join up with the Tigers and Cubmaster Dellinger. Each activity will last 45 minutes and groups will have 5 minutes between activities. Scouts will have the opportunity to work on a skit or song to present at the evening campfire. This is a wonderful activity that encourages the Scouts to work together. Presenting the skit or song in front of the Pack teaches presentation skills and builds individual confidence.

# ACTIVITY STATIONS!!

- **Take a Walk on the Wild Side! (Observation / Wildlife / Outdoor Safety):**  
Scouts will engage in a hands-on experience with Jerry and Jackie Phelps who bring over 35 years experience in animal handling and public education to Fisher Farm. Scouts will learn the interesting plants and wildlife right in their backyard.
- **Tree Planting! (Community Service):**  
Pack 58 has partnered with "Trees Davidson" and the Davidson Lands Conservancy to plant trees and help make Davidson a more beautiful place. Cubs and parents can pitch in to plant a small tree in an area of Fisher Farm planned for "re-forestation"... do your part to help!
- **Leave No Trace Hike (Environment / Conservation / Respect):**  
A representative from Boy Scout Troop 58 will teach the principles and importance of Leave No Trace. Being outdoors is a fundamental part of Scouting. It is important that while we explore the outdoors, we also limit our impact upon it. After learning about "Leave No Trace", families will be lead on a short hike through the woods of Fisher Farm.
- **Cub Scout ADVANCEMENTS!**  
Cubs will get a head-start on advancements for the year, earning a Belt Loop or Activity Pin!
- **Cub Scout SKITS!**  
Kids will learn a fun and humorous skit to perform during the Campfire program! Always a favorite!

## WATER, SNACKS AND MEAL INFORMATION . . .

- Water:**  
 It is critical that all scouts stay hydrated throughout the day. There is no running water on-site but Pack 58 will station water coolers around the park for fill-ups during the day. The Pack will supply a handled “mug” for Cubs to clip to their belt and fill up at each station, learning to stay hydrated on their own. Families should bring extra water bottles as well. Finally, you may want to bring a gallon of water for personal hygiene needs. Hand sanitizer and wipes will be provided.
- Lunch:**  
**LUNCH IS NOT PROVIDED BY THE PACK.** Please eat before you arrive or bring your own picnic lunch.
- Snack:** Pack 58 will provide a nut free snack between lunch and dinner. **IF YOU BRING YOUR OWN FOOD/SNACKS, PLEASE BE CERTAIN THEY ARE NUT-FREE!**
- Dinner:**  
**The Pack has a long-standing tradition of hosting at “Hobo Dinner” picnic Saturday night!** We will lay out a long tray of charcoal and have folks volunteering to help you cook & flip your “Tin-Foil” dinners. For the uninitiated, Tin Foil dinners are a pot-luck of whatever you want to cook up... meat, potatoes, veggies, etc. They’ll stew in their own juices on the coals and makes a great, easy meal!
- Please prepare your own Tin Foil Dinners and bring it to the event in a personal cooler. You may also want to bring a side.** Below is an example of an easy recipe. You may also search online as there are MANY VARIATIONS on this classic camp meal. Be creative! Water is provided by the Pack.

<b>Title</b>	Tin Foil Dinner
<b>Ingredients</b>	Your favorite meat (Hamburger Pattie, Chicken, Steak, Sausage...), Potato (1 large per person), Carrot (as much as you like), Onion, Bell Pepper, Butter, Salt & Pepper
<b>Instructions</b>	<p>Wash and peel potatoes (or leave skin on), carrots. Slice potatoes, carrots, onion and pepper thinly.</p> <p>Tear off large piece of <b>heavy-duty</b> aluminum foil (around 2 feet). Shiny side in, place layer of potato to cover bottom of meat. Put meat on top, salt and pepper, onion and pepper then add layer of carrots and more potatoes. Add two large pats of butter. Fold sides of foil to make large envelope, Fold edges twice to seal top, then roll ends right up to the contents.</p> <p>TIP! Double layer your aluminum foil wrap. Make a coil or spiral of aluminum foil and place in on the bottom, between the two layers. This will keep your meal away from the hot coals and prevent burning.</p> <p>In about 30 minutes (medium size package) or 45 minutes (large size package) we will have your dinner ready for you!</p>

- Sunday Breakfast – For Overnight Campers:**
- A continental breakfast is provided that includes (assorted pastries and breakfast bars), orange slices, hot chocolate and **coffee from Summit!!**
