CAMPING OVERVIEW

★ What is the camping program?

Any organized youth group of 10 or more can come on board the historic USS Yorktown for an amazing and unique overnight camping adventure. You will become one of the sailors as you sleep, eat and explore where they once lived.

★ Where will I sleep?

You will be sleeping where the sailors slept, in bunks on board the USS Yorktown. Don't forget your pillow and sleeping bag!

★ Where will I eat?

Just like the sailors, you will be eating in the crew mess hall below deck on board the ship.

★ What's included?

It depends on the camping package you select, but generally you can expect:

- A stay overnight on board the USS YORKTOWN
- Meals
- One educational program for the entire group
 - Your group can also add-on a number of additional activities and programs
- Movies in the ship's theater
- Self-guided tours
 - USS YORKTOWN Aircraft Carrier
 - USS LAFFEY Destroyer
 - USS CLAMAGORE Submarine
 - Vietnam Experience Exhibit
 - Medal of Honor Museum
 - Apollo 8 Capsule
- 10% discount in the Ship Store (Gift Shop) by showing your camper wristband at checkout

GENERAL CAMPING REQUIREMENTS

- ★ Your group must have a total **minimum number of 10 persons** (youth and leaders) for a stay onboard the YORKTOWN, with the majority of campers **under the age of 18**.
- ★ Patriots Point requires a total number of **40 campers** overall on the ship on any given night/weekend or we may need to cancel.
- ★ **All campers must be at least 6 years of age**, due to the content of our programs and the potential challenges of maneuvering the ship.
- ★ One adult must camp with each child between the ages of six and ten. Two adults must camp with every ten campers between the ages of eleven and seventeen.
- ★ Our berthing units are **divided by gender**. Camping groups need the appropriate number of female and male adults to accompany the female and male youth as outlined previously.
- ★ Patriots Point often hosts other events (banquets, ceremonies) that may occur during your stay. It is quite possible that your group will be asked to avoid areas rented out by our other guests. Our staff will notify you ahead of time to inform you of these changes.
- ★ *Closures: Camping is generally available year round except July 4th, Thanksgiving, Christmas Eve, Christmas, New Year's Eve*

Patriots Point may not be able to accommodate last minute campers due to berthing limitations. Unless the staff is notified with plenty of notice before your scheduled visit, we may not have room for last minute additions.

THE ON BOARD EXPERIENCE

Everything you need to know about a stay on board 'The Fighting Lady'

WHAT TO BRING WITH YOU

Patriots Point provides only a bare mattress on the bunk, and bathrooms with showers. Each berthing unit has central heating and air conditioning, as well as restrooms. Therefore, we recommend you bring the following with you:

- ★ A sleeping bag and/or bed sheets for a twin mattress
- ★ Closed-toe shoes
- ★ Pillow
- ★ Soap
- ★ Shampoo
- ★ Toothpaste
- ★ Wash cloth and towel(s)
- ★ If you prefer, bring a pair of shower sandals
- ★ Any medications, including over the counter types such as aspirin or allergy medicine
- ★ Insect repellent and sunscreen
- ★ Any other toiletries and personal hygiene products. However, **no flame producing devices** of any kind can be brought about the USS, Yorktown, so all deodorant, hair spray, bug spray, etc. **must be non-aerosol.**

The USS Yorktown is located in the Charleston Harbor at the end of a 600 foot long pier. **Campers must carry or roll their luggage from the parking area down the pier.** Please pack with this in mind! Patriots Point does not permit campers to drive cars down the pier for any reason, not even for loading and unloading, due to the volume of people.

Free public Wi-Fi is available to all guests with limited availability in the berthing areas due to the ship's structure intercepting the signal.

ARRIVAL

- ★ Upon arrival, the group leader should contact the Public Safety Officer, who will be in or near the Security Gatehouse in front of the Gift Shop/Ticket Booth building. The Public Safety Officer will contact the Camping Officer via radio to coordinate your boarding the YORKTOWN.
- ★ All groups must come down the pier and arrive onboard the USS Yorktown together. All members of the group must be onsite before the group will be allowed to board the ship.
- ★ The orientation program will be conducted by the Scout Duty Officer once aboard the ship. The rules of conduct, the importance of the Fire Drill, and other standards of behavior are explained at this time.
- ★ It is required that all persons sleeping on board must participate in a fire drill and physically traverse the planned emergency escape route during the first night of their visit. To meet these requirements, **all youth campers and adults must be on board 30 minutes prior to the mandatory fire drill. The fire drill will be on your Plan of the Day.**

PLAN OF THE DAY

- ★ A "Plan of the Day" (POD) will be emailed to you 72 hours prior to your arrival by Camping Services. A copy will also be included in your welcome packet upon arrival.

SLEEPING ARRANGEMENTS

All campers sleep in the same areas as the ship's sailors! All berthing areas are climate controlled and are equipped with electrical outlets. Patriots Point staff also has adaptors to power Nebulizers and CPAP machines and can assist campers needing to set them up. We do suggest those who use these machines bring a power strip with them.

Due to the configuration of our berthing quarters, Patriots Point is unable to accommodate requests for specific berthing areas/ quarters and **there are no multi-gender camping areas**. However, we will make every effort to assign your group to an area that will adequately match your needs.

Assignments are made based on 4 factors:

- ★ Gender
- ★ The size of a group
- ★ The number of groups during a given timeframe (ex: weekend)
- ★ The number of available compartments and bunks within each compartment

Patriots Point requires that an adult chaperone be in each berthing quarter area, so all camping groups must include the appropriate number of female and male chaperones based on the gender, number and age of the youth campers.

NOTE:

The bunks aboard the YORKTOWN are authentic and original to the ship, meaning they were constructed for adult males' use. To help prevent young campers from getting hurt, **a height restriction is in place for the use of the top two bunks**. Campers must be at least 63 inches tall to sleep on the top bunk, and 58 inches tall to sleep in the third bunk. Please help us reinforce this policy to ensure our campers remain safe while staying on board the ship.

MEALS AND SNACKS

Breakfast and dinner are served "Navy" fashion in the actual Chief Petty Officers' Mess on the ship.

The camping menu can be found here:

www.patriotspoint.org/assets/pdf/camper_menu.pdf

The camping meal ingredients can be found here:

www.patriotspoint.org/assets/pdf/camper_meals_ingredients.pdf

Please complete the allergy form at:

www.patriotspoint.org/assets/pdf/Camping_Food_Allergy_Form_2018.pdf

Please do not bring carry-on food or drinks during your stay. This helps us keep our ships clean. Exception is given to those individuals with food allergies.

Need a snack? Patriots Point has a snack bar located landside and one located in the hangar bay on the ship. We also have vending machines located on and off the ship.

ALLERGY AND FOOD RESTRICTIONS:

- ★ Top Shelf Catering handles all camper meals on board. The catering staff needs to be notified of any allergies or food restrictions **prior to arrival**.
- ★ For additional questions regarding allergies, meals and snacks, call Nicole at (843) 971-4152.

SAFETY

Keeping our campers safe aboard the YORKTOWN is a top priority and fuels many of our procedures and regulations on the ship. Please be advised of the following to help us ensure everyone's safety and fun during your stay!

- ★ Patriots Point provides twenty-four hour security. This staff is also certified in fire safety and first aid.
- ★ You are welcome to bring necessary medications, but **only adults should carry and store all medication, including over the counter medicines**. Patriots Point can store refrigerated medications in our Fire Safety/First Aid office. Please discuss this with staff during the orientation and they will assist you.
- ★ There cannot be any flame-producing devices brought onboard. This includes, but is not limited to: matches, lighters, or aerosol cans of any kind.

Due to state fire safety codes, the State Fire Marshal's office requires that **all persons*** sleeping onboard must participate in a fire drill and physically traverse the planned emergency escape route during the first night of their visit. We regret that those individuals who cannot meet this requirement may not camp aboard the USS YORKTOWN.

**Exceptions may be made for persons with disabilities.*

AREA ATTRACTIONS

- ★ We hope that you are able to get out and about to explore the city of Charleston. For a list of area attractions, please visit www.explorecharleston.com
- ★ When coordinating your group's visit, please keep your camping schedule in mind.
- ★ **If your group plans alternate activities outside of the Patriots Point Camping Program, Patriots Point cannot be held responsible for activities or meals missed by your group.** If your group, on their own, schedules late afternoon off-site travel to local attractions, your group will ultimately miss their evening meal. Unfortunately, we do not offer refunds on missed meals due to offsite events that are not arranged by Patriots Point.

There is plenty to do during your stay in addition to touring our fleet and exhibits! One of the following educational programs or VIP Tours is **INCLUDED** in the price of your visit. Additional programs may be purchased if space is available.

RULES OF CONDUCT

It is the responsibility of the Group Leader to ensure compliance with all Patriots Point policies and procedures while camping at Patriots Point. However every individual is accountable for understanding and adhering to the information below.

- ★ **No alcohol, firearms, knives or weapons of any kind are permitted.** Campers are also not allowed to bring any flame producing devices such as matches, lighters and aerosol cans.
- ★ There is **no smoking** aboard the USS YORKTOWN, CLAMAGORE, LAFFEY or in the Vietnam Experience Exhibit. There is a designated smoking area under the main stairs of the YORKTOWN and landside behind the Ship Store.
- ★ Tampering with the heat, fire or smoke detectors is punishable with a \$1500 fine.
- ★ **No running, skipping, pushing or horseplay.** Remember, this is a metal ship; falling down will hurt!
- ★ The ships, aircraft, and other exhibits are not just displays – our veterans lived and worked on these crafts and actually made use of the items on display. In order to give our guests the most authentic experience possible, we have not removed knobs, switches, valves, etc. original to the ships. **Please DO NOT touch, adjust or ‘play with’ these very important artifacts.** Unless specifically marked, do not climb on the aircraft.
- ★ **DO NOT enter any area of the museum that is not clearly marked as a tour route or areas open to the public.** Also, no one is allowed on the catwalks, or in the quarters of the opposite sex. In other words, keep any exploring to the marked tour routes and your specific berthing units.
- ★ TAPS is at 11pm every night, and Reveille is between 6:00 and 7:00 AM every morning. **Campers are asked to observe quiet hours between these hours, and to remain in their designated berthing areas.** Again, this is a true aircraft carrier; it is a safety hazard trying to navigate the ship without adequate lighting.
- ★ As a courtesy, we request that campers remain clear of any other social functions occurring on the ship. Patriots Point is a popular destination for corporate dinners, weddings, proms, etc. These events are limited to certain hours in the evening and will end prior to lights out at 11pm. There is room for everybody!
- ★ **Discipline is the responsibility of the group leaders, not the camping staff.** The group leaders must provide adequate supervision. Leaders must accompany youth campers touring the ships and the Vietnam Experience Exhibit.
- ★ Campers who disregard the rules of conduct will be asked to leave Patriots Point. Refunds cannot be provided to any individual or any group asked to leave due to failure to respect our rules, policies and procedures.
