

Calling all Mecklenburg County Council Cubs! Celebrate America 250 with an overnight stay on the historic World War II-era USS Yorktown in Charleston Harbor! Ride the ferry to Fort Sumter!

Wikipedia: USS Yorktown (CV-10) is one of 24 Essex-class aircraft carriers built during World War II for the United States Navy. Initially to have been named Bonhomme Richard, she was renamed Yorktown while still under construction, after the Yorktown-class aircraft carrier USS Yorktown (CV-5) sunk at the Battle of Midway. She is the fourth U.S. Navy ship to bear the name, though the previous ships were named for the 1781 Battle of Yorktown. Yorktown was commissioned in April 1943 and participated in several campaigns in the Pacific Theater of Operations, earning 11 battle stars.
